A Reflection for today: Reflection for today. The Jerusalem temple of Jesus' day was an awe-inspiring wonder and the people in this week's gospel reading are dazzled by the temple's noble stones. They are then puzzled and anxious by Jesus' prophecy of the destruction of the same temple. 'As we approach the end of the liturgical year, we are invited to reflect on the truth that in the worlds we have created nothing lasts forever. Everything changes and nothing remains the same. The only thing that doesn't change is change itself.' – (Richard Rohr)
